

Procladd (Scotland) Ltd & Procladd (Small Works) Ltd provide high quality innovative and robust Building Envelope Solutions to suit our client's needs. We operate under a management system certified to Standards BS EN ISO 14001, BS EN ISO 9001. Working towards BS EN ISO 45001.

To support this Procladd maintain an Environmental Management System committed to the continual improvement of our environmental performance and in particular seek to:

- Meet and comply with all applicable legislation and other requirements to which our company subscribes.
- Protect the environment, prevent pollution and control risks associated with our significant environmental aspects.
- Improve resource efficiency, including energy, water, material and waste management.
- Evaluate the environmental credentials of our suppliers and sourced products.
- Invest in our staff to ensure continuing professional competence and awareness of our management system requirements.

It is the responsibility of all Directors, Employees and Sub-Contractors of Procladd to be aware of and assist in the achievement of these aims. Progress is regularly reviewed through established objectives and feedback is actively welcomed.
